Dear Angela and Saugeen Mobility,

I would like to thank you for the work you do in supporting the community, with transport and what that means, in so many supportive ways, than just moving from point A to point B.

We booked your services a few weeks ago, to transport a 'guest' to do a trip to see the water. We had to cancel as the weather was really bad, and wanted to ensure he had a beautiful experience, in what would be his last transitional days.

Last Tuesday, March 26<sup>th</sup>, we were able, with the support of yourself, after, many phone calls, (from me) and George's supportive pick up, to take B to his trip to Port Elgin, main beach. We stayed for one hour, and he was able to sit, while we all watched, as he got to experience seeing the water, in what would be his last visit to the water.

I am writing to say, thank you from all of us at Huron Shores Hospice in Tiverton, for bringing this 'ask' to fruition. You never know the small impact you can make in someone's life.

You made a difference. B died peacefully with us, in Hospice on Sunday, March 31, 2024.

We appreciate, you, and your organization.

Warm regards,

 Volunteer Coordinator, Huron Shores Hospice, Tiverton
